

A Message for You...

**Please remember,
that no-one in the history of the
human race has made, or can make,
the contribution that you can.**

You are uniquely valuable.

**You can not be compared to another.
You can never be as good as they are
and they can never be as good as you.**

**Your unique gifts and abilities are
precious, and their value is
unquestionable.**

**It is your responsibility to make
the most of them and to use them to
their greatest value.**

**That
is your only challenge.**
